

Dear Bristow Businesses and Organizations:

We invite you to join the Bristow Chamber of Commerce as an official sponsor of the second annual *Patriotism in the Park* – July 2, 2016.

This year's BBQ Contest is sanctioned as an official Kansas City BBQ Society (KCBS) contest under their "Backyard Only (2 Meat)" division. This is a great opportunity for newcomers to try their hand at an entry level professional contest. KCBS "Backyard" contests are designed to allow non-Master competitors an opportunity to show off their skills. KCBS sanctioning will draw even more contestants and attendees to this year's event.

In addition to KCBS, we are adding another community-based element to this year's BBQ contest: the Sponsor Challenge! We challenge our sponsors to put their best spatula forward by entering the BBQ contest. After all, what is more American than friendly competition between businesses? Sponsor contestants will be eligible for the same prizes and benefits of other contestants, but will also be eligible for the new Patriotism in the Park traveling trophy. The trophy will be awarded to the sponsor with the highest total score on the judged portion of the contest. The winner will be able to proudly display the award in their business window or wall for a whole year until it is time to defend their title in next year's competition. All sponsorship contributions of \$350 or more receive a complimentary entry into the Sponsor Challenge BBQ Contest under their organization name or a contest judge seat, your choice. Sponsor levels under \$350 may enter the Sponsor Challenge with an entry fee at the early bird rate of \$100, regardless of the date of sponsorship.

Additionally, local groups and organizations are working to create their own events and family friendly entertainment throughout the park. This will provide variety for the public and a forum for Bristow groups to engage with citizens and the public. And, of course, after dark there will be FIREWORKS!

All funds from sponsorships will be used to support the purchase of fireworks, growth of the BBQ contest, and related expenses. Any and all additional funding goes 100% toward expansion of the fireworks show.
